ageLOC® Transforming Night

Transforming Night is a rich hydrating cream that works with the skin's natural nighttime renewal process for deeply hydrated, rejuvenated, youthful-looking skin.

Benefits:

- **Stronger, more resilient skin:** ageLOC® Transforming Night works together with the skin's natural nighttime repair and renewal processes, strengthening the skin's natural barrier for stronger, more resilient skin
- **Smooth skin texture:** promotes youthful skin cell turnover by 85% for a smoother, softer texture
- **Enhances natural skin properties:** Features mild ingredients that reduce skin sensitivity and deliver superior benefits without disturbing the skin's natural moisture properties
- **Reduced appearance of lines and wrinkles:** dramatically reduces the appearance of fine lines and wrinkles by 45% for visibly younger looking skin
- **Reduced appearance of pore size:** reduces the appearance of pore size through youthful skin cell turnover

Key Ingredients:

- **ageLOC® Proprietary blend:** targets the sources of aging
- **Pea extract, bamboo extract, and glucosamine:** a powerful anti-aging ingredient blend that has been shown to reduce the appearance of fine lines and wrinkles and increase cell turnover resulting in visually youthful skin.
- **Hyaluronic acid and ceramide 3:** retains and protects the moisture within the skin for increased hydration and radiance.

The Difference. Demonstrated.

Third-party Study Results: Subjects used ageLOC® Transformation twice daily for 12 weeks, including ageLOC® Transforming Night every night:

- 100 percent of the subjects started showing improvements in multiple signs of aging in only seven days as determined by a clinical grader.
- 100 percent of the subjects showed an improvement in overall appearance including fine lines, skin smoothness, and radiance as determined by a clinical grader after 12 weeks of use.
